WARRANTY

Seller warrants its product to be free from defects in material and workmanship under normal use and service. This warranty shall not apply to defects resulting from misuse, abuse or accidents. The limit of seller's liability for failure of any of its products to meet the foregoing warranty or for breach of any other warranty, express or implied, shall be to supply an equivalent amount of products for any materials returned to seller within three (3) months of shipment and found to be defective by seller. Due to the widely varying conditions under which seller's products are used or installed, seller offers no warranty, express or implied, as to their length of service, life or suitability for any particular purpose. In no event shall seller be liable for incidental or consequential damages. No person is authorized to bind seller for any further warranty or obligation beyond that stated in this paragraph.
